

Athy is enjoying a period of significant growth in the retail and commercial sector, driven in part by a high influx of new residents to the town.

Sustaining the growth in the local economy is vital to the ongoing development of the town.

Athy Community Enterprise Centre addresses the need for quality office and workshop space where existing small businesses can successfully develop and where new enterprises can be encouraged to setup.

Located in an industrial area and less than 15 minutes walk from the Emily Square, Athy Community Enterprise Centre is ideally located and suitable for businesses from a wide range of industrial sectors.

We have available:

- 8 x Office Units @ 220 sq. ft (on two floors)
- 8 x Workshop Units @ 600 sq. ft
- 4 x Workshop Units @ 1,200 sq.ft

Industrial units are all based on the ground floor and have their own access, and access to the central core of the building. A small office/ storage area is also included.

Organisations that locate at Athy Community Enterprise Centre will be able to take advantage of the following benefits:

*Central reception facility, centre staff can greet personal callers, answer your inbound telephone calls, and when you are not available record messages and forward them to you.*

*Discounted rates for in-house digital printing and photocopying. Our staff can also assist you in preparing and finishing your documents, help you to create digital presentations and undertake some of your administration work.*

*Preferential use of meeting rooms and our video conferencing suite.*

*Organisations can have information on their operation, and a hyperlink to their own website from our website ([www.athycec.com](http://www.athycec.com)).*

*Locating at an Enterprise Centre ensures that you are part of a professional environment, and belong to a network of other businesses, with centre staff and access to professional advisors.*
